### Course Assignments/Activities and Evaluation

**Final Exam:** Once the course work is completed, students will take a 75-question final exam which matches the RBT Exam in content. Students may take this exam as many times as they need. Student must earn 80% or better on this Exam.

**Practice Quizzes:** A practice quiz follows at the end of each module. Students may take this practice quiz as many times as they need. Student must earn 80% or better on this Exam.

**Notes Quizzes:** To ensure students watch the videos, participants will be given PowerPoint notes with missing words. The missing words will be presented in the video lectures. Students will take a fill in the blanks quiz in which they will be asked to type out the missing words. Students must score 100% on these quizzes.

**Discussion Boards:** Students will respond to a discussion board prompt. These are based on the material in the videos.

**Graphing Assignment:** Student will be given a data set and will need to graph the data and turn in the graph.
